

# MAKING THE CONNECTION

See if you can connect the puzzle without having to look up the verse in your Bible. Use a marker or heavy pen to connect the parts of the verses together. Do not cross any lines.

# ALPHABET MAZE

*This two-part puzzle will tell you what Jesus said to Mary and Joseph. Start with the letter A in bold type, then, going in alphabetical order, draw a line through the letters. When you get to Z, start again with A. You will go through the alphabet nearly three times.*
