

God Made Me

“All things were made by him.” John 1:3

God made all of our wonderful world, and then He made something very special—He made you! He knew you before you were born. He knew who your mommy and daddy would be and where you would live. He knows everything about you, because He is God.

God gave you hair. Where is your hair? All people have hair, but it is not all the same color. Some people have black hair, and some people have blond or brown or even red hair. Some people have curly hair, and some have straight hair.

God gave you two hands and two feet. Where are they? Can you march with your feet? Can you clap with your hands? We use our hands and feet when we play with our pets and our friends. What fun we can have with our hands and feet! We can use our hands and feet to do kind things for our friends.

God gave you eyes, ears, and a mouth. Where are your eyes? Your eyes help you see and learn about everything God has made. Where are your ears? Your ears help you hear people talking, birds singing, dogs barking, and cars or buses driving by. They hear me telling you stories about God. Where is your mouth? God gave you your mouth so that you can taste and eat the good things He made for you.

Thank you, God, for making me, me.
